Re: 2020/4437/P, 25-26 Hampstead High Street

The Hampstead Neighbourhood Forum objects to this proposal.

The location of the telecommunications equipment would appear to render the proposed roof terrace, for which consent has been granted, at least partially unusable. Policy A1 of the Camden Local Plan seeks to protect the amenity of Camden's residents by ensuring the impact of development is fully considered.

The Forum is therefore keen to see that this issue is resolved through planning to ensure that occupants of the building do not lose any use of their private space.

Sincerely,

Guy Wingate
