Re: 2018/5932/P, 7 St Crispin's Close

The proposal fails to demonstrate how the side extension would affect surrounding buildings. We have attached a photograph to show the site of the proposed storage shed, which would stand directly in front of no. 6 St Crispin's Close.

From our visit to the site it seems that the proposed extension, by virtue of its mass and height, could harm the amenity of its immediate neighbours. The proposal fails to present evidence that it has considered the character and local context of the area, or consulted immediate neighbours, and therefore is contrary to policy DH1 of the Hampstead Neighbourhood Plan.

The Forum would not object to conversion of the garage should the owners wish to use this space for storage.

Sincerely,

Janine Griffis  
Chair, Hampstead Neighbourhood Forum
